

Some of our dance classes are a part of a continuous year-round program with open registration occurring in August of each year These classes are identified as **Teacher Discretion**. Once a class is filled, a waiting list is established.

- When your name is placed on a waiting list, you will be called only if there is an opening. When you are called, you will have 24 hours in which to respond. Otherwise, we will assume that you are not interested, remove your name from the list and proceed to the next child.
- Priority Registration Classes may require automatic deferred payment deductions from a Credit Card or Debit Card for each ongoing session in order to remain in priority status. If you opt out of the deferred payment process you will lose priority status if you do not pre-register for each session as required.
- Students may be admitted throughout the year, if space permits. Contact the center where the class is held for vacancies. If the class you desire is full, request that your name be placed on the waiting list.
- The first 10 minutes of class will be used to take roll, answer questions and make announcements.
